NEW ENGLAND YEARLY MEETING OF FRIENDS.

DEPARTMENT OF BIBLE SCHOOLS.

RECORDS.

OF FRIENDS' BIBLE SCHOOL AT Worcester

FOR THE YEAR BEGINNING W Mo. 1st. 1899

PUBLISHED BY
N. E. Y. M. BIBLE SCHOOL COMMITTEE.

1897.

INSTRUCTIONS.

1. The design of this book is that each school in the Yearly Meeting may have a simple method of keeping its records of membership and weekly attendance ; that the system used may be the same in all schools, and an aid in easily making up the reports desired by the Quarterly and Yearly Meeting.

2. Each school is requested to appoint a Secretary, whose duty shall be to have charge of this book, and keep therein accurate records of the school as indicated in the various blanks.

3. It will be observed that, at the end of each thirteen weeks, there are two blank pages for making up the quarterly report. The first of these is intended as the "original," which is to be filled out immediately at the close of the quarter, and kept in the book. An exact copy of this is then to be made on the other or "duplicate" leaf, which is to be *removed from the book and mailed promptly* to the Quarterly Meeting Superintendent.

4. At the end of the year two similar blanks will be found for making out the *annual report*. In like manner, one of these is to be retained in the book after being filled out, and the duplicate mailed promptly to the Yearly Meeting Superintendent.

5. Schools desiring to keep record of attendance of individual scholars should use, in connection with this book, a small "class book." Such a book, having on the cover an envelope for class collections, may be obtained through the Yearly Meeting Superintendent or Secretary, who will send samples on application.

6. Copies of this Yearly Record Book may be obtained also by application to the Yearly Meeting Superintendent.
